

# SADBERGE ENERGY SAVING PROJECT

## BULK PURCHASE SCHEMES

The aim of the bulk purchase schemes is to enable Sadberge households to obtain discounts on (a) double glazing and (b) central heating boilers and controls. The Climate Change Steering Group hopes that this will give you an extra incentive to go ahead and implement these energy saving ideas.

### DOUBLE GLAZING

The following businesses are participating in the double glazing bulk purchase scheme.

#### ALLTEN WINDOWS

Having been operating for more than 34 years, Darlington-based Allten Windows is one of the longest established window companies in the north-east.

Allten Windows is offering a 20% discount on all orders placed in association with the Sadberge Energy Saving Project.

Allten Windows Managing Director, John Widdall, says *"We aim to set the standards locally by providing the very best products and first-class installation"*.

Web site: [www.allten.co.uk](http://www.allten.co.uk)

#### KENSINGTON WINDOWS

Kensington Windows is a family-owned business that has been established in Darlington for twelve years.

Kensington Windows is offering a 20% discount on all orders placed in association with the Sadberge Energy Saving Project.

Kensington Windows Managing Director, Trevor Honeyman, says: *"We're very pleased to be involved in the Sadberge Energy Saving Project and helping people to make a contribution towards combating climate change"*.

Web site: [www.kensingtonwindows.co.uk](http://www.kensingtonwindows.co.uk)

### CENTRAL HEATING BOILERS AND CONTROLS

The following businesses are participating in the central heating bulk purchase scheme.

#### PAUL ROCHESTER HEATING

Paul Rochester has 40 years experience in the gas fitting business. He set up his own company in 1979, and now works with his son and an apprentice.

Paul is offering discounts on a sliding scale depending on the total value of all the orders placed in association with the Sadberge Energy Saving Project. The schedule of discounts is as follows:

Total orders	Discount	Total orders	Discount
Up to £14,999	5%	£25,000 - £29,999	12%
£15,000 - £19,999	8%	£30,000 - £39,999	13%
£20,000 - £24,999	10%	£40,000 or more	15%

Paul says *"Before we start doing a quote, we'll use our flue gas analyser to measure the efficiency of your existing boiler and find out if you actually need to change it"*.

#### THE INSULATION COMPANY (TIC)

The Insulation Company is a Darlington-based company providing insulation and heating systems throughout the north-east.

TIC is offering discounts on a sliding scale depending on the total value of all the orders placed in association with the Sadberge Energy Saving Project. The schedule of discounts is as follows:

Total orders	Discount	Total orders	Discount
Up to £9,999	5%	£20,000 - £29,999	8%
£10,000 - £14,999	6%	£30,000 - £39,999	9%
£15,000 - £19,999	7%	£40,000 or more	10%

TIC's Heating Manager, Chris Davidson, says *"It may be possible to obtain an additional discount if everyone agrees to buy a boiler from the same manufacturer"*.

**IF YOU WOULD LIKE TO PARTICIPATE IN EITHER OR BOTH OF THESE SCHEMES THEN TICK THE RELEVANT BOX(ES) ON THE RESPONSE FORM OR CONTACT ALASTAIR MACKENZIE.**

#### Notes

In setting up these bulk purchase schemes, the Sadberge Climate Change Working Group has tried to involve local businesses that have done good work in Sadberge in the recent past. However, the inclusion of a company in these schemes does not constitute a recommendation, and the Working Group does not give any guarantees about the competitiveness of these companies' prices or the quality of their work. When orders are placed in association with these schemes the contracts will be directly between the householders and the relevant companies.

If you would like any further information about these bulk purchase schemes then please contact Alastair Mackenzie (01325-333333 or [alastair@batmail.co.uk](mailto:alastair@batmail.co.uk)).
